there is more to the human origins development intelligence and civilization than the epic debate creationism versus evolution simply because there is more to the human condition than what authorities and ideologies want you to believe therefore when you study the human origins you have to search beyond the moment when the first humans had detached from the firmament or previous species since there are other significant events in humanity's lifespan and achievement defining its specific timeline while you have to study everything otherwise you risk understanding these significant events only from simplistic empirical or ideological perspectives ending up learning what you already know while following the crowd throughout unending debates since you want the accurate truth because you already know all theories beliefs speculations and debates regarding the human origins and this is why when you study the human origins you expect to

understand everything about the origins of life the nature and origins of this world the nature of the human higher self and intelligence the origins and debut of the human consciousness and human intelligent reasoning along with all details related to the creator of this entire world of life and of humanity additionally it is relevant to know how all these affect you personally and how they affect your family your genetic line and your nation how your family and genetic line originate where and how it happened under what circumstances and with what status and privileges for you for your family for your nation and for the humankind and this is exactly what we cover throughout this book in all details and from all perspectives this book studies the human origins along with the origins of life human intelligence human species human development human society human current civilization along with various past civilizations of earth integrating humans their origins and their original and current conditions in an elaborate comprehensive model

the thrilling conclusion to the a hundred names for magic trilogy is not your average fairytale an unforgettable alternative history fairy tale series from the author of the bone witch about found family modern day magic and finding the place you belong it s been three months since the snow queen and ozcorp infiltrated maidenkeep and nearly seized the nine maidens ryker is still unconscious and the rest of the group is feeling the effects of the prolonged war not to mention that abigail fey s curse has far reaching consequences and many in the royal states have been using it to stir unrest and hostilities against avalon when the adarna a firebird like creature appears in avalon the gang discovers it is one of seven magical artifacts that the snow queen has been searching for in her bid to open a portal to buyan a place that could grant her tremendous power determined to find the artifacts first the bandersnatchers find information about the other five the singing bone the hamelin flute the tamatebako the lotus lanternm the raskovnik and the wonderland tree but the snow queen will stop at nothing to get to the relics first and as the final battle approaches both sides will lose the ones they love as the fight to save or destroy avalon finally comes to be
